

Our Philosophy:

"Love the Ball - Love the Sport"

The **Texas HeatWave Soccer Club** is a non-profit (501(c)3) organization dedicated to promoting youth soccer in the greater Houston area. Our Club strives to provide players with the ability to achieve the maximum technical, tactical, physical and psychological soccer attributes that will help enable each player to grow and prosper to their utmost potential—all while developing a love for the sport.

The purpose of the Texas HeatWave Summer Camp is to expose players to special skills and tactics through sessions with our professional training staff and HeatWave alumni—all in a fun, yet challenging, atmosphere.

Some areas covered for players ages 5-8 include:

1. Ability of each player to strike a ball over distance with accuracy with both feet.
2. To "cut" the ball with inside and outside of both feet.
3. Turning with the ball with either foot and changing direction.
4. Basic understanding of team play through 2v2, 3v3, and 4v4 situations.

Campers ages 9-12 will enjoy advanced training sessions involving high-level techniques specific to their age groups. Ball skills, attack and defense strategies, and other game tactics will be covered.

Keeper Camp

Players interested in goalkeeping may sign-up for this position-specific training. A range of topics will be covered from the fundamentals (for younger players) to more advanced concepts such as controlling the box (for older players). Keepers will have the opportunity to apply what they learn by joining the rest of the campers during scrimmages.

What to Bring

All campers are required to wear shin guards. They will also need to bring a ball, plenty of water, sunscreen and *be ready to have fun!*

Fee and Registration

| <u>Session</u> | <u>Pay by</u> | <u>Fee</u> |
|----------------|---------------|------------|
| I-June 13-16 | May 31 | \$65 |
